## Best Diabetes Treatment in India

Ayurveda or Ayurvedic medicine is a system of traditional medicine native to India. Ayurvedic treatment provides best treatment for diabetes and a vast variety of health problems. From the House of Ayurvedic Service of over 150 years, Dr.E.Shaji Raj presents the world's First and Finest **Ayurvedic Arka Medicines**. These Medicines are not some supplements but a complete Medicine, full of strength to treat any diseases better like modern medicine.

We look at Diabetes as a Degenerative. Unlike the modern medicine which forces the pancreas to produce more insulin, our medicine works on the liver to keep the body to have Samaghni. It stimulates the brain for hormonal balance. It does not load your body with Insulin hormone and protects the body from inflammation.
